

Grade 6 Homework

TERM 4 WEEK 2

DUE DATE: MONDAY 23RD OCT.

* INQUIRY *

Using the skills you learn during our film incursion, make a short film that documents your routine starting from when you get home from school e.g. open the gate, walk through, put keys in the lock etc.

Note: Remember to think about the different camera angles, avoiding teleportation and jump cuts. Create continuity and keep the flow! :)
