STUDENT WORK

STORY STARTER..................MY BIKE

It was the best bike that Luke had ever seen and now it was his. He put on his helmet and jumped onto the bike. He was a little shaky at first but then something amazing happened to the bike...........

....it started sparkling and he realised he was in the sky. He was very high. He fell and he wished that he hadn’t got on the bike. But he put his head up and he was in his mum’s shopping basket. And his mum gave him a big hug.  By Piper.

It was the best bike that Tasha had ever seen and now it was hers. She put on her helmet and jumped onto the bike. She was a little shaky at first but then something amazing happened to the bike...........

........she fell off the bike. A truck ran over the bike and she never saw the bike again.  By Tasha.

It was the best bike that Luke had ever seen and now it was his. He put on his helmet and jumped onto the bike. He was a little shaky at first but then something amazing happened to the bike...........

.....The bike got out a fridge. And the bike had a spiky wheel. He was amazed. But it got better. It had a bed. Luke einted. When he woke up he was on his bike. Then he rode off.  By Nick.
