We have a 1:1 ratio of school laptops. The junior students have a 1:1 ratio of ipads as well.

Art and Library sessions are held weekly by visiting specialist teachers.

Each child’s individual needs are catered for in daily teaching focus groups and mixed ability classroom activities.

All students are encouraged to use the school’s technology such as digital cameras, ipads and MP3 players to enhance their learning.

“Where children come first”
At Harston Primary School we all have one common interest – the children.

Harston Primary School provides a range of activities and opportunities for the children to enhance their learning. Parents are always welcome at Harston and we urge you to become part of your children’s education.

The wearing of the school uniform is compulsory. Wide brimmed hats must be worn in terms one and four. Uniforms are very reasonably priced and available from the school. All prep and new children commencing school will be given a wide brimmed hat and school t-shirt.

We are a Sunsmart school. Children are encouraged to wear sunscreen which is always available at school.

We are very lucky to have a Harston Primary School bus catering for our students exclusively. Our school bus service is flexible and covers a wide area. Please contact the school to see where the bus travels.

The school’s discipline policy aims to teach the children to be responsible for their actions, respect other people’s feelings and property, so that everyone can work and play in a happy and safe environment.

For preps commencing school, orientation days will be held during November and December of the previous year. Please contact the school for dates.

Harston Primary School welcomes parental participation. Parents play a vital role in the school. We welcome any assistance you may care to offer.

The Harston Primary School Parents Club is a great way to become involved in the school and make new friends.

Children have access to a refrigerator for storage of their lunch box and drink bottle during the day.

Parent/Teacher interviews are held during the year, where a written report of your child’s progress is presented. Parents who have concerns may request an interview with the class teacher or Principal at any time.
